1 Foreword

WW/T 0082-2017 was issued by State Administration of Cultural Heritage on 8 August 2017 and has been in force since 1 December 2017.

The WW/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 13 pages in English translation.

2 Scope Preview

This standard stipulates the digital surveying and surveying and mapping projects of ancient architectural murals, and adopts the technical means, technical flow, data indicators, work results, and results of surveying and mapping work focusing on three-dimensional scanning, digital photogrammetry, and matrix-based high-definition digital photography. Acceptance requirements. This standard applies to digital mapping and photography of ancient architectural murals.
