1 Foreword

WW/T 0083-2017 was issued by State Administration of Cultural Heritage on 8 August 2017 and has been in force since 1 December 2017.

The WW/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 11 pages in English translation.

2 Scope Preview

This standard stipulates the contents and assessment procedures for the opening of the cultural relics protection unit, the evaluation procedures, and the method for calculating the carrying capacity of tourists. This standard applies to all levels of cultural relics protection units that are open to tourists, and other open and immovable cultural relics can be used as reference.
