1 Foreword

WW/T 0129-2025 was issued by State Administration of Cultural Heritage on 20 January 2025 and has been in force since 1 June 2025.

The WW/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 17 pages in English translation.

2 Scope Preview

This standard specifies the applicability and effectiveness requirements of outdoor metal cultural relics sealing materials, describes the evaluation methods for applicability and effectiveness, and gives the content and style of sealing material test reports. This standard applies to the testing and evaluation of outdoor metal cultural relics sealing materials in the research and development, production and application stages.
