1 Foreword

XF/T 1463-2018 was issued by Ministry of Emergency Management on 11 February 2018 and has been in force since 1 May 2018.

It replaces the earlier edition GA/T 1463-2018.

The XF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.
