1 Foreword

XF/T 185-2025 was issued by Ministry of Emergency Management on 30 April 2025 and has been in force since 1 August 2025.

It replaces the earlier edition XF 185-2014.

2 Scope

This standard specifies the terms and definitions of statistics on direct economic losses from fires, specifies statistical requirements, and describes the statistical steps and methods for simple statistics on direct property losses from fires, general statistics on direct property losses from fires, fire scene disposal fees, and personal injury expenses. This standard applies to the statistics of direct economic losses from a single fire.

3 About this standard

Issued by: Ministry of Emergency Management

English translation: about 15 pages

Chinese original: about 22,250 characters

Supersedes the earlier edition XF 185-2014.

4 Classification and status

International classification (ICS): 13.220.01

Chinese Standard Classification (CCS): C 80

Prefix XF/T: recommended standard.
