1 Foreword

XF/T 3001-2020 was issued by Ministry of Emergency Management on 10 November 2020 and has been in force since 1 May 2021.

The XF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions, principles, personnel requirements, equipment requirements, applicable disaster accident categories, operating procedures, and action requirements for water rescue operations. This standard applies to the water rescue operations of the national comprehensive fire rescue team and full-time fire brigade, and other emergency rescue teams can refer to it.
