1 Foreword

XF/T 3011-2020 was issued by Ministry of Emergency Management on 10 November 2020 and has been in force since 1 May 2021.

It replaces the earlier edition NY/T 1329-2007.

The XF/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the requirements, test, inspection rules and markings for electric window glass breaking devices for escape and rescue. This standard is applicable to the electric breaking device (hereinafter referred to as the "smashing device") installed on the vehicle that breaks the toughened glass of the window by the action part triggered by the electronic signal, and other types of glass breaking devices for escape and rescue, except Special requirements shall be separately stipulated by relevant standards, and this
