1 Foreword

YD/T 1200-2002 was issued by Ministry of Industry and Information Technology on 21 June 2002 and took effect the same day.

2 Scope

This standard applies to MU-type single-mode fiber optic connector series product design, production, use and inspection. This standard single-mode fiber optic patch cord MU series classification, provides various graphical interface, with the size, provides for MU-type single-mode fiber optic connector optical performance, standard connectors and gluing material requirements, provides test methods and quality assessment procedures, provides signs, packaging, transportation and storage requirements.

3 About this standard

Sector: Telecommunication Industry Standard (Recommended)

Issued by: Ministry of Industry and Information Technology

English translation: about 30 pages (approximate)

Chinese original: about 45,489 characters

4 Classification and status

International classification (ICS): 33.180.20

Chinese Standard Classification (CCS): M 33

Prefix YD/T: recommended standard.
