1 Foreword

YD/T 1283-2003 was issued by Ministry of Industry and Information Technology on 7 July 2003 and took effect the same day.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 30 pages in English translation.
