1 Foreword

YD/T 1304-2004 was issued by Ministry of Industry and Information Technology on 9 February 2004 and took effect the same day.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 214 pages in English translation.

2 Scope Preview

This standard specifies the network at No. 7 on 64kbit/s signaling link MTP second functional level, the third functional level and telephone user part of the test items and test methods. This standard applies to No. 7 signaling network of telephone switching equipment, signaling transfer point equipment and support to the platform No. 7 signaling system.
