1 Foreword

YD/T 1322.4-2004 was issued by Ministry of Industry and Information Technology on 4 August 2004.

It is one of 4 parts of the YD/T 1322 series.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the e-commerce in the "Notes" transaction model, the "Notes" safe negotiable instruments trading systems, and describe the different types of the "Notes" presentation layer syntax. This standard applies to electronic commerce bill trading systems.

YD/T 1322.4-2004 falls under ICS 35.240.60, in the field of information technology.

This catalogue holds 725 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.

3 About this standard

Sector: Telecommunication Industry Standard (Recommended)
