1 Foreword

YD/T 1386-2005 was issued by Ministry of Industry and Information Technology on 1 September 2005 and has been in force since 1 December 2005.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 25 pages in English translation.

2 Scope Preview

This standard specifies the media servers in Softswitch system in the location, function, procedures, performance, interfaces, maintenance, management, and other technical requirements. Key provisions of the standard sound resource processing, image processing and multimedia resources to be determined. This standard applies to Softswitch-based media server.

YD/T 1386-2005 falls under ICS 33.050, in the field of telecommunications.

This catalogue holds 3,420 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
