1 Foreword

YD/T 4184-2023 was issued by Ministry of Industry and Information Technology on 28 July 2023 and has been in force since 1 November 2023.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the evaluation specifications for the protection of user rights of mobile Internet applications (APPs), including illegal collection of personal information, excessive collection of personal information, illegal use of personal information, targeted push, permission request behavior, self-initiation and associated activation behavior, Typical detection scenarios for violations such as deception, misleading, coercion, and personal information acquisition, as well as detection details for mobile application distribution platform information display and mobile application distribution platform management.
