1 Foreword

YD/T 4238-2023 was issued by Ministry of Industry and Information Technology on 21 April 2023 and has been in force since 1 August 2023.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies implementation guidelines for pre-game preparation, game-time operation, and post-game summary of work in the field of network security for sports events based on public telecommunications networks. This standard is applicable to guide the network and information security management, organization and implementation of sports events based on public telecommunications networks.

YD/T 4238-2023 falls under ICS 33.040, in the field of telecommunications.

This catalogue holds 3,420 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
