1 Foreword

YD/T 4276-2023 was issued by Ministry of Industry and Information Technology on 21 April 2023 and has been in force since 1 August 2023.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard stipulates the process of online information collection, information interaction, and information release in online transactions of second-hand motor vehicle products, as well as the technical requirements that should be met in the process of online information release of second-hand motor vehicle products to meet the requirements of supervision and traceability. This standard applies to the supervision, operation management, design and construction of domestic second-hand motor vehicle online trading platforms and second-hand motor vehicle Internet service platforms.

YD/T 4276-2023 falls under ICS 33.040.40, in the field of telecommunications.

This catalogue holds 3,420 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
