1 Foreword

YD/T 4306.4-2023 was issued by Ministry of Industry and Information Technology on 20 December 2023 and has been in force since 1 April 2024.

It is one of 6 parts of the YD/T 4306 series.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the relevant functional requirements for terminal data collection APPs in mobile Internet customer experience management systems, including business functional requirements, management functional requirements and interface functional requirements. This standard applies to the design, development and construction of mobile Internet customer experience management systems.

YD/T 4306.4-2023 falls under ICS 33.040, in the field of telecommunications.

This catalogue holds 3,420 other YD/T standards in that field.
