1 Foreword

YD/T 4310-2023 was issued by Ministry of Industry and Information Technology on 21 April 2023 and has been in force since 1 August 2023.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard stipulates the terms and definitions of virtual reality business in the mobile Internet environment, standardizes the terminology of virtual reality terminal equipment, network transmission, content generation and business types, and provides reference for related work on virtual reality standardization and industrialization. This standard applies to the selection, use, interpretation, translation and application of virtual reality business terms in the mobile Internet environment.

YD/T 4310-2023 falls under ICS 33.020, in the field of telecommunications.

This catalogue holds 3,420 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
