1 Foreword

YD/T 4397.1-2023 was issued by Ministry of Industry and Information Technology on 20 December 2023 and has been in force since 1 April 2024.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the capability requirements for the government digital maturity evaluation model, including the government digital maturity evaluation model framework, the government digital maturity evaluation model capability domain requirements, the government digital maturity evaluation model value domain requirements, etc. This standard is applicable to digital government construction and operation entities in various places. It is a comprehensive evaluation of the maturity of digital government in terms of policy, technology, effectiveness, development, etc.

YD/T 4397.1-2023 falls under ICS 35.240.01, in the field of information technology.

This catalogue holds 725 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
