1 Foreword

YD/T 4495-2023 was issued by Ministry of Industry and Information Technology on 20 December 2023 and has been in force since 1 April 2024.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the industrial Internet logo registration management structure, general requirements, registration procedures, registration protocols, registration data synchronization requirements, and technical requirements for logo registration systems. This standard applies to the design and development of registration systems by Industrial Internet logo service providers, as well as the application and registration of logos by Industrial Internet logo users.

YD/T 4495-2023 falls under ICS 35.240.50, in the field of information technology.

This catalogue holds 725 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
