1 Foreword

YD/T 4674-2024 was issued by Ministry of Industry and Information Technology on 29 March 2024 and has been in force since 1 July 2024.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the composition, identification prefix, and identification suffix of the industrial Internet identification code in the food industry. This standard is applicable to the construction of the industrial Internet identification coding system in the food industry and the processing and exchange of food information.
