1 Foreword

YD/T 4878.4-2024 was issued by Ministry of Industry and Information Technology on 5 July 2024 and has been in force since 1 October 2024.

It is one of 4 parts of the YD/T 4878 series.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

This standard specifies the technical requirements for remote interactive electronic whiteboards of intelligent video equipment, including hardware requirements, software function requirements, security capability requirements, operation and maintenance requirements and corresponding test methods. This standard applies to intelligent video remote interactive electronic whiteboard equipment.

YD/T 4878.4-2024 falls under ICS 35.040, in the field of information technology.

This catalogue holds 725 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
