1 Foreword

YD/T 4894-2024 was issued by Ministry of Industry and Information Technology on 5 July 2024 and has been in force since 1 October 2024.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the terms and definitions commonly used in the online and offline retail business platform of the mobile Internet, including the terms and definitions of the basic general category, the retail business platform business category and the retail business platform system category. This standard applies to the research and development, design, procurement and operation of the online and offline retail business platform of the mobile Internet, and provides basic terms and definitions for the subsequent online and offline retail business platform related standards.

YD/T 4894-2024 falls under ICS 35.240.60, in the field of information technology.

This catalogue holds 725 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
