1 Foreword

YD/T 4899-2024 was issued by Ministry of Industry and Information Technology on 5 July 2024 and has been in force since 1 October 2024.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the technical requirements for the medical equipment management platform for digital hospitals, including the functional completeness, security, availability, compatibility and other requirements of the medical equipment management platform for digital hospitals. This standard applies to the information platform used for the full life cycle management of medical equipment within the hospital.

YD/T 4899-2024 falls under ICS 35.030, in the field of information technology.

This catalogue holds 725 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
