1 Foreword

YD/T 4966-2024 was issued by Ministry of Industry and Information Technology on 5 July 2024 and has been in force since 1 October 2024.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the technical reference architecture of security orchestration automated response (SOAR). This standard is applicable to guiding the users, operators, developers and third-party evaluation organizations of security orchestration automated response (SOAR) to design, develop, test, operate and maintain security orchestration automated response.

YD/T 4966-2024 falls under ICS 35.030, in the field of information technology.

This catalogue holds 725 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
