1 Foreword

YD/T 6158-2024 was issued by Ministry of Industry and Information Technology on 10 December 2024 and has been in force since 1 April 2025.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the technical requirements for the coordinated work of personal mobile communication terminals and their application software with SIM cards, including system architecture, machine-card interface requirements and NFC function requirements. This standard applies to terminals and their application software that support SIM card carrier services.

YD/T 6158-2024 falls under ICS 33.050, in the field of telecommunications.

This catalogue holds 3,420 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
