1 Foreword

YD/T 6162-2024 was issued by Ministry of Industry and Information Technology on 10 December 2024 and has been in force since 1 April 2025.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the methods and requirements for user behavior analysis and service recommendation for IPTV service systems, including the overall architecture, functional description, business process, platform interface and other contents. This standard applies to the development and deployment of IPTV user behavior analysis systems.
