1 Foreword

YD/T 6172-2024 was issued by Ministry of Industry and Information Technology on 10 December 2024 and has been in force since 1 April 2025.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the setting principles, setting requirements, and related elements that should be followed for digital indications and service information in public places to meet barrier-free use requirements. This standard applies to the construction of barrier-free environments in public places and can be used as a reference for relevant departments, units or institutions providing public services in China.

YD/T 6172-2024 falls under ICS 33.040.40, in the field of telecommunications.

This catalogue holds 3,420 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
