1 Foreword

YD/T 6192-2024 was issued by Ministry of Industry and Information Technology on 10 December 2024 and has been in force since 1 April 2025.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the service management requirements of mobile application distribution platforms in terms of user personal information protection. This standard applies to mobile application distribution platforms, including websites, application stores, apps and other platforms that provide distribution services such as downloading, installation and upgrading.
