1 Foreword

YD/T 6208-2024 was issued by Ministry of Industry and Information Technology on 10 December 2024 and has been in force since 1 April 2025.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the general principles, content and information disclosure procedures for the social responsibility and environmental, social and corporate governance (ESG) information disclosure of Internet enterprises. This standard is applicable to guiding Internet enterprises to disclose social responsibility and ESG information according to their own compliance requirements, business scope, operating conditions and market environment.

YD/T 6208-2024 falls under ICS 01.020, in the field of generalities, terminology and documentation.

This catalogue holds 85 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
