1 Foreword

YD/T 6590-2025 was issued by Ministry of Industry and Information Technology on 17 December 2025 and has been in force since 1 April 2026.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the terminology and definitions related to the field of personal information protection, including general terms, technical terms, management terms, and key business terms related to the mobile internet field. This standard applies to the understanding of personal information protection concepts, the development of other personal information protection standards, and the promotion of communication on personal information protection.

YD/T 6590-2025 falls under ICS 01.040.35, in the field of generalities, terminology and documentation.

This catalogue holds 85 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
