1 Foreword

YD/T 6594-2025 was issued by Ministry of Industry and Information Technology on 17 December 2025 and has been in force since 1 April 2026.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the evaluation specifications for the personal information protection capabilities of mobile application distribution platforms, mainly including the ability to protect and safeguard personal information throughout its entire lifecycle, protecting users' legitimate rights and interests. This standard applies to third-party evaluation agencies conducting evaluations, and also to personal information processors conducting self-evaluations.

YD/T 6594-2025 falls under ICS 35.030, in the field of information technology.

This catalogue holds 725 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
