1 Foreword

YD/T 6618-2025 was issued by Ministry of Industry and Information Technology on 17 December 2025 and has been in force since 1 April 2026.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the requirements for the protection of minors online in telecommunications networks and the internet, including requirements related to promoting online literacy, standardizing online information content, preventing internet addiction, and ensuring the security of online data processing, as well as requirements for online service scenarios. This standard is applicable to guiding providers of online products and services involving minors in carrying out online protection work for minors in telecommunications networks and the internet.

YD/T 6618-2025 falls under ICS 35.020, in the field of information technology.

This catalogue holds 725 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
