1 Foreword

YD/T 6634-2025 was issued by Ministry of Industry and Information Technology on 17 December 2025 and has been in force since 1 April 2026.

The YD/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies reference design and development guidelines for application adaptation to horizontally foldable screen mobile smart terminals, including general adaptation principles, interface design guidelines, application development guidelines, and application adaptation cases. This standard applies to application adaptation of horizontally foldable screen mobile smart terminals. Application adaptation for large-screen terminals such as tablet computers can refer to this standard.

YD/T 6634-2025 falls under ICS 33.030, in the field of telecommunications.

This catalogue holds 3,420 other YD/T standards in that field.

In this catalogue, YD/T standards carry edition years from 1982 to 2026.
