1 Foreword

YJ/T 30-2025 was issued by Ministry of Emergency Management on 17 April 2025 and has been in force since 18 July 2025.

The YJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the content, assessment requirements, and organization and implementation of basic training, professional training, first aid training, and rescue drills for mine rescue teams. This standard applies to the daily training and assessment of mine rescue teams. Part-time mine rescue teams may refer to this standard for implementation based on their actual needs.
