1 Foreword

YJ/T 32-2025 was issued by Ministry of Emergency Management on 15 October 2025 and has been in force since 30 April 2026.

The YJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 15 pages in English translation.

2 Scope Preview

This standard specifies the principles for compiling emergency response cards for production safety accidents in production and operation units (hereinafter referred to as emergency response cards), specifies the classification and compilation procedures for emergency response cards, and describes the main contents and attachment information of emergency response cards. This standard applies to the preparation of emergency response cards for production safety accidents in production and operation units. Nuclear
