1 Foreword

YJ/T 33-2025 was issued by Ministry of Emergency Management on 15 October 2025 and has been in force since 30 April 2026.

The YJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 7 pages in English translation.

2 Scope Preview

This standard specifies the general requirements, training syllabus, implementation, and assessment requirements for the training and assessment of oil and gas pipeline rescue personnel. This standard applies to the training and assessment of commanders at the squadron level and above, deputy squadron leaders, team leaders, rescue team members, and part-time oil and gas pipeline rescue team members.
