1 Foreword

YJ/T 35-2025 was issued by Ministry of Emergency Management on 15 October 2025 and took effect the same day.

The YJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 6 pages in English translation.

2 Scope Preview

This standard specifies the general principles for forest and grassland fire fighting safety and safety guidelines for the fire fighting preparation phase, fire fighting operation phase, and evacuation and return phase. This standard applies to fire safety fighting by local forest and grassland fire brigades; other forest and grassland fire brigades may refer to it for implementation.
