1 Foreword

YJ/T 36-2025 was issued by Ministry of Emergency Management on 14 November 2025 and has been in force since 1 June 2026.

The YJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 10 pages in English translation.

2 Scope Preview

This standard specifies the construction principles of local forest and grassland fire brigades, and stipulates requirements for team size, structure, and job positions, camp construction, equipment allocation, and training, drills, and assessments. This standard applies to the construction of local forest and grassland fire brigades; other forest and grassland fire brigades may refer to it for implementation.
