1 Foreword

YJ/T 37-2025 was issued by Ministry of Emergency Management on 15 October 2025 and took effect the same day.

The YJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 13 pages in English translation.

2 Scope Preview

This standard specifies the general principles for forest and grassland fire fighting training, clarifying the requirements for individual training, squad training, comprehensive platoon drills, and fire fighting safety training. This standard is applicable to guiding local forest and grassland fire brigades in conducting forest and grassland fire fighting training; other forest and grassland fire brigades may refer to this standard for implementation.
