1 Foreword

YJ/T 39-2025 was issued by Ministry of Emergency Management on 15 October 2025 and has been in force since 1 February 2026.

The YJ/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

The document runs to 21 pages in English translation.

2 Scope Preview

This standard specifies the overall requirements for the investigation, assessment, and identification of emergency shelter resources, and the requirements for the classification of shelter resources, investigation of shelter resources, assessment of shelter resources, and identification of existing shelters. This standard applies to the investigation, assessment, and identification of existing refuge sites.
