1 Foreword

YY/T 0958.1-2025 was issued by National Medical Products Administration on 15 September 2025 and has been in force since 1 October 2026.

It replaces the earlier edition YY/T 0958.1-2014.

The YY/T prefix marks a recommended standard. It is not law in itself: it becomes binding when a contract names it, when a regulation or a mandatory standard refers to it, or when a producer declares conformity with it.

2 Scope Preview

YY/T 0958.1-2025 falls under ICS 11.040.40, in the field of health care technology.

This catalogue holds 959 other YY/T standards in that field.

In this catalogue, YY/T standards carry edition years from 1990 to 2026.

3 About this standard

Issued by: National Medical Products Administration

Supersedes the earlier edition YY/T 0958.1-2014.
